

## Workshop for regional and local government units and self-government units

„SUECH“  
(HUHR/1601/3.1.1/0030)

**Business incubator BIOS**  
**J. J. Strossmayera 341 (Conference hall A)**  
**Osijek**

## Invitation

Dear Madame/Sir,

We are cordially inviting you to the SUECH project workshop, which will be held on **September 27, 2017** starting at **11:00** am in **the Conference hall A of Business incubator BIOS**, J. J. Strossmayera 341, Osijek.

The City of Osijek, together with its partners from Croatia, the Regional Development Agency of Slavonia and Baranja, Renewable energy sources Osijek Ltd., NGO EU Centar and partners from Hungary, the Inno-Motive Regional Development and the Kozármisleny City Council, are implementing a project aimed at improving the quality of life and environment in cross-border area through joint activities in the field of sustainable energy use, including energy efficiency in public facilities.

The project will explore the legal framework for the implementation of energy efficiency measures in buildings in both countries, to prepare project documentation for energy-efficient reconstruction of buildings in Osijek and Kozarmisleny and to conduct a series of educational activities (workshops, conferences, energy days, study tours) for regional and local government and self-government, and for the academic community, professionals and citizens. The aim of the project is to ensure the practical application of efficient and sustainable use of energy in the buildings on both sides of the border and in all segments of society through the strengthening of the existing links and the dissemination of existing knowledge.

The project lasts for 12 months and ends on 31 May 2018. The value of the project is 247.015 € of which the European Union has co-financed the project with 209,963 €.

The workshop is intended for representatives of regional and local self-government which are facing imminent implementation of projects under the Energy renovation of buildings and the use of renewable energy sources.

In order to register, please fill in the application form, which you can also find in the attachment, and send it to the below listed email address or fax.

Please send filled in application form by **12:00**, on **25th of September 2017** either to [luka.magdic@obz.hr](mailto:luka.magdic@obz.hr) or fax number +385 31 221 841.

For all your questions and enquires please contact +385 31 221 849

Sincerely,

### Regional Development Agency of Slavonia and Baranja
